What you should know

- **Primary Care Physician (PCP):** A PCP is important for helping to coordinate care and this plan requires you to select a PCP. When you enroll, we'll ask who your PCP is. If you don't tell us, we'll assign one to you. You can always change the PCP by calling us.
- **Referrals:** Aetna Medicare Platinum Plan (HMO-POS) doesn't require a referral from a PCP to see a specialist. Keep in mind, some providers may require a recommendation or treatment plan from your doctor in order to see you.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services or drugs. Benefits that may require a prior authorization are listed with an asterisk (*) in the benefits grid.

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a member services representative at **1-833-859-6031 (TTY: 711)**. From October 1 to March 31, you can call us 7 days a week from 8 a.m. - 8 p.m. local time. From April 1 to September 30, we're here Monday through Friday from 8 a.m. - 8 p.m. local time.

Understanding the benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially those services for which you routinely see a doctor. Visit **AetnaMedicare.com** or call **1-833-859-6031 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding important rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2023.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
